Job Title: Force Control Room Communications Officer	Grade: A005
Department: Control Rooms and Visual Services	Division: A
Reports to: FCRB / FCRL Team Manager	Contract Type: Permanent
Level of Vetting: <input type="text"/>	Numbers in Post: 120 60 FCRL (London) based 60 FCRB (Birmingham) based
B Purpose of the Post	
<p>The Force Control Room has a critical role in supporting the police to respond to calls for service. The role of communications officer is:</p> <ul style="list-style-type: none"> To provide emergency and non-emergency contact handling for the British Transport Police via radio and telephone, including contact from other police forces, emergency services, Network Rail and Train Operating Companies (TOCs). Assess contacts that are received, via emergency and non-emergency channels and identify the appropriate grade of response (considering threat, harm and risk). To pass incidents in a timely manner for radio dispatch and the relevant police actions via the Control Works system. 	
C Dimensions of the Post	
<p>Financial – Direct or Non-Direct Nil</p> <p>Staff Responsibilities – Direct or Non-Direct Nil</p> <p>Any Other Statistical Data Force Strength 3002 Police Officers and 1204 Police Staff</p>	
D Principal Accountabilities	
<ul style="list-style-type: none"> Effectively and accurately manage emergency telephone calls, evaluating the urgency of the incident and prioritising the police response where appropriate. Obtain and evaluate information and decide criteria of response and level of deployment using THRIVE and NSIR, ensuring public and officer safety at all times. Monitor incidents, advising, deploying and directing appropriate resources via radio to ensure an adequate and effective response to an incident. Deal with victims of crime or vulnerable persons (who may be traumatised) providing support and reassurance until such time resources are on scene. Using radio to dispatch police resources to incidents, taking control of the initial response to incidents and providing support to operational officers, ensuring information is accurately updated onto the Force command and control system. Maintaining routine contact by radio with 	

officers to ensure their safety and to provide information from Force computer systems and PNC to facilitate communications directives.

- Provide command and control functions in response to major incidents and special events.
- Provide operational guidance to frontline officers.
- Liaise with other agencies e.g. emergency services, Network Rail, stakeholders, as appropriate and carry out such enquiries as may be necessary to support operational resources.
- Operate contingency/emergency/resilience procedures as directed.
- To be fully conversant with a range of systems used within the control room environment i.e. Control Works, ICCS, PNC, GIS, Briefing and Intelligence systems.
- Record details of crimes reported by members of the public and rail staff.

E Decision Making

- Action to be taken: Gather, verify, and assess information, considering THRIVE, to give an accurate understanding of incidents and decide on action to be taken/grade of response.
- Grading/Deployment: Consider a range of possible options before making clear, timely, justifiable decisions on grade of response.
- Reviews decisions in the light of new information and changing circumstances (NDM).
- Prioritising incidents: Balances risks, sometimes of competing incidents with limited resources, thinking about the wider impact of decisions prior to deciding on priority of response.

F Contact with Others

Internal

All BTP Staff (including officers/staff of all ranks and grade).

External

Victims of crime, members of public, rail industry staff including TFL/London Underground, other emergency services, HO Police Force and National Press.
